## PUBLISHING POLICY

SDEWES Conference may decide to publish a special issue with one or more of the partner journals. Only submissions that were presented at the Conference by one of the authors may be invited to a special issue.

Manuscripts have to be submitted to the special issue of the journal according to instructions provided in the invitation letter. Each manuscript will then be reviewed according to the journal policy.

The authors are obliged to inform the conference of the status of their submission in a way provided in the invitation letter.
